

Outlook – Reporting Email as Junk

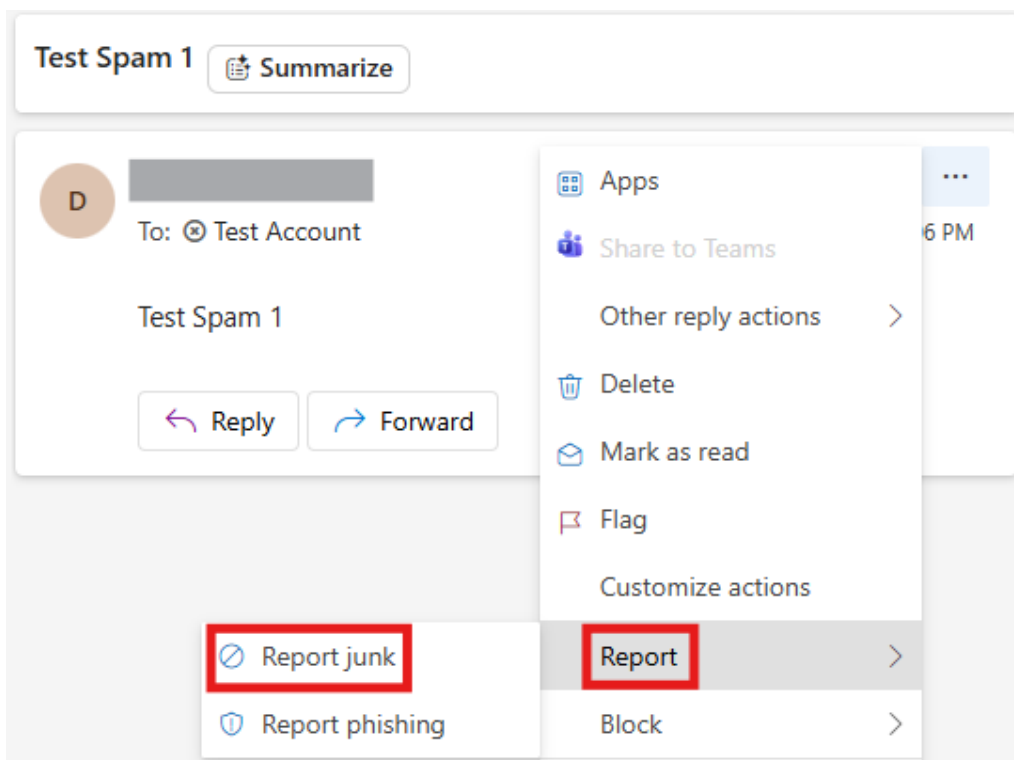

If you received an email in your inbox that is marked as junk, instead of deleting the email, please follow the steps below to report it as junk. This will help to improve automated junk email filtering in the future.

Prerequisites: Go to <https://outlook.office.com> and log in to your work account.

1. Click on the email.
2. Click on the menu (...) button.

3. Select “Report” and then click “Report junk”.

4. Done.
